

IMPACT REPORT

2025

Healing Experiences for Everyone All the Time® through Philanthropy and Volunteerism

MESSAGE FROM THE CHAIRMAN

As we look back on the Foundation's impact over the past year, I am filled with profound gratitude for you — our donors — whose generosity continues to strengthen the health and well-being of the North Brevard community. In 2025, we celebrated meaningful achievements, met challenges with resilience, and were reminded time and again that our greatest strength lies in how we show up for one another.

Your support made every milestone possible. Because of you, families received life-changing care, patients experienced comfort and dignity, and our community moved forward with hope. Below are several ways your gifts made a powerful difference in 2025.

Education Skills Lab established to offer hands-on learning in a controlled setting where Care Partners can practice and refine clinical skills utilizing training manikins to build clinical competence and confidence. The lab will support clinical orientations, the Nurse Residency Experience, surgical tech programs, and other training opportunities held throughout the year.

The Children's Center received a new permanent playground covering structure that will provide weather-resiliency during storm season, reduce long-term maintenance, provide a shaded space for children to play, and enhance overall safety and usability of the playground.

Community Childbirth Education Program launched that provides free, comprehensive childbirth classes for expecting parents in North Brevard. The program will equip families with the knowledge and skills necessary to navigate pregnancy, birth and the postpartum process with confidence and reduced anxiety.

To our donors, our Board, and our Parrish Healthcare team — thank you for your steadfast support and commitment. Your work fuels the mission of Healing Experiences for Everyone All the Time® and ensures that exceptional care remains within reach for everyone we serve.

As we consider the opportunities before us in 2026, I am encouraged by what we can achieve collectively. Your belief in our mission transforms lives, strengthens families, and elevates the health of our entire community.

On behalf of Parrish Healthcare and the Jess Parrish Medical Foundation, please accept my heartfelt appreciation for your trust, partnership, and ongoing support.

Best wishes for a new year filled with joy and good health.

Melissa E. Lugo
Chair
Jess Parrish Medical Foundation

The countless gifts, small and large, made to the Foundation help Parrish Healthcare continue its service excellence, both today and in their planning for the future.

Our Story

From a concerned group of citizens committed to building a public, not-for-profit hospital in their hometown, to the original donation of land, North Brevard County's citizens believe in their community and health system. The countless gifts, small and large, made to the Foundation help Parrish Healthcare continue its service excellence, both today and in their planning for the future.

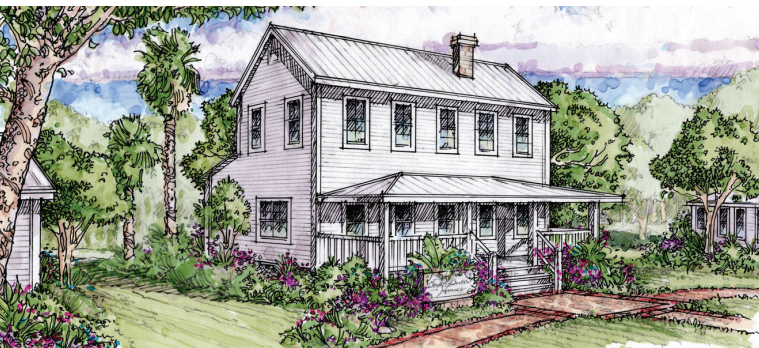

The Foundation was chartered in 1982 to philanthropically support Parrish Healthcare and its family of healing services and programs beyond what patient revenues can provide. Every hour of every day, Parrish Healthcare patients and their families benefit from the generosity of the Foundation's many benefactors.

For more than 40 years, the Foundation has promoted and inspired philanthropy to continuously improve and expand upon the healthcare services available to North Brevard citizens. The Foundation supports a variety of healthcare programs and services that enhance the quality of life for everyone within the communities served by Parrish Healthcare.

Today, the Foundation continues to inspire a *spirit of philanthropy* and provides special recognition to committed benefactors who desire to invest and make a difference in their community by helping to fund programs, services and technology in support of Parrish Healthcare's mission of *Healing Experiences for Everyone All the Time®* and vision of *Healing Families—Healing Communities®*.

YOUR 2025 IMPACT

In 2025, you helped create lasting changes in the lives of those we serve, shaping brighter futures, offering hope, strengthening our community, and saving lives. Every day, your generosity makes a meaningful difference in advancing our Mission: *Healing Experiences for Everyone All the Time®* and our Vision: *Healing Families—Healing Communities®*.

Taylor-Dunn House

ADVANCED AIRWAY TRAINING

MANIKINS for Titusville Fire Department enabling hands-on practice for real-life emergency scenarios, including airway positioning and tracheal incisions. These manikins ensure that all 84 department personnel receive comprehensive, practical training, enhancing their skills and overall preparedness
\$7,861.99.

\$2,282 to launch a **COMMUNITY CHILDBIRTH EDUCATION PROGRAM** providing free, comprehensive childbirth classes for expecting parents in North Brevard. The program equips families with the knowledge and skills necessary to navigate pregnancy, birth and the postpartum process with confidence and reduced anxiety.

\$10,000 to support **THRIVE BY FIVE** initiative in partnership with Brevard County Public Schools. The program equips Brevard families with resources that promote school readiness and lifelong learning, including books and new-parent packs for every newborn in North Brevard.

28 MEDICAL SCHOLARSHIPS

awarded to North Brevard students pursuing degrees in the human health field totaling
\$32,500

\$11,000 to replenish mammogram vouchers, providing **FREE SCREENING, DIAGNOSTIC AND UNTRASOUND MAMMOGRAMS** for underinsured and uninsured women residing in North Brevard.

A new permanent covering structure on **THE CHILDREN'S CENTER** playground that will provide a safe space for children to play, be more resilient during storm season, require less maintenance, and enhance overall safety and usability. **\$82,170**

\$20,000 to establish an **EDUCATION SKILLS LAB**, which offers hands-on learning in a controlled setting where Care Partners can practice and refine clinical skills utilizing training manikins building clinical competence and confidence. The lab will support clinical orientations, the Nurse Residency Experience, the surgical tech program, and other training opportunities held throughout the year.

Provided **\$5,100** in funding for **STOP THE BLEED** a national program in collaboration with Titusville Police Department and Parrish Medical Center Emergency Department providing life-saving tourniquet kits for officers to use in the field. 20 kits and 10 additional tourniquets funded, contributing to **33 LIVES SAVED SINCE 2015.**

YOUR CONTINUED SUPPORT WILL MAKE A LASTING IMPACT

Make a Donation

All donations to Jess Parrish Medical Foundation are tax-deductible and you can specify the area of interest you would like to support.

Foundation Events

One hundred percent of the proceeds raised at Foundation events remain in North Brevard County and help support Parrish Healthcare and our community. Attend, sponsor, volunteer or share an in-kind donation to support the Foundation's efforts.

Tribute and Grateful Patient Gifts

Celebrate. Honor. Remember. Memorial and Honor Gifts are a wonderful way to remember, recognize, and honor someone's life while helping to extend the reach of Parrish Healthcare's mission of *Healing Experiences for Everyone All the Time®*. Gifts may be made to commemorate special events such as birthdays, anniversaries, or the birth of a child, and are the perfect way to show appreciation to a Parrish Healthcare Care Partner for providing excellent healing care to you or a loved one.

Planned Giving

Create a lasting legacy. Contact the Foundation office to discuss options for creating a lasting legacy.
