Dear. Dr. Mikitarian

We appreciate your selection of **Forvis Mazars, LLP** as your service provider and are pleased to confirm the arrangements of our engagement in this contract. Within the requirements of our professional standards and any duties owed to the public, regulatory, or other authorities, our goal is to provide you an **Unmatched Client Experience**<sup>®</sup>.

In addition to the terms set forth in this contract, including the detailed **Scope of Services**, our engagement is governed by the following, incorporated fully by this reference:

- HIPAA Business Associate Agreement
- Terms and Conditions Addendum

### Summary Scope of Services

As described in the attached **Scope of Services**, our services will include the following:

North Brevard County Hospital District d/b/a Parrish Medical Center (the "District")

- Audit Services for the year ended September 30, 2026
  - As part of the audit services, as required by Florida Statutes:
    - The issuance of a management letter as prescribed by the Florida Auditor General. Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be, and should not be used by anyone other than these specified parties.
    - An examination report of the North Brevard County Hospital District (the "Districts") compliance with Section 218.415, Florida Statutes.
  - You have also required we separately address the District's compliance with certain bond covenants in a separate letter.

You agree to assume full responsibility for the substantive outcomes of the contracted services and for any other services we may provide, including any findings that may result.

You also acknowledge these services are adequate for your purposes, and you will establish and monitor the performance of these services to ensure they meet management's objectives. All decisions involving management responsibilities related to these services will be made by you, and you accept full responsibility for such decisions.

We understand you have designated a management-level individual(s) to be responsible and accountable for overseeing the performance of nonattest services, and you have determined this individual is qualified to conduct such oversight.

## Engagement Fees

Our fees not to exceed \$154,500 (unless agreed to in writing to a change in scope) are based on the time, skill, and resources, including our proprietary information required to complete the services.

In addition, you will be billed travel costs and fees for services from other professionals, if any, as well as an administrative fee of five (5) percent to cover certain technology and administrative costs associated with our services.

We will issue progress billings during the course of our engagement.] *OR* [Payments for the engagement are due as follows:

Deposit	\$	20,000
July 15, 2026	\$	30,000
September 15, 2026	\$	30,000
October 15, 2026	\$	30,000
November 15, 2026	\$	30,000
Upon Delivery of Deliverable(s)	\$	14,500

Our timely completion of services and the fees thereon depends on the assistance you provide us in accumulating information and responding to our inquiries. Inaccuracies or delays in providing this information or the responses may result in additional billings, untimely filings, or inability to meet other deadlines.

We anticipate the audit for the year ended September 30, 2025 will include routine assistance including inquiries and discussions regarding the adoption of Governmental Accounting Standards Board (GASB) Statement No. 103, *Financial Reporting Model Improvements*, is effective for fiscal years beginning after June 15, 2025. Early application is encouraged. The purpose is to eliminate diversity in practice and improve comparability. Impacted areas include management's discussion and analysis, unusual or infrequent items, the definitions and presentation of operating and nonoperating revenues and expenses in enterprise funds, presentation of major component units, presentation of budgetary comparison information, and financial trends information within the statistical section of separately issued financial reports.

If more than routine assistance is required regarding GASB Statement No. 103, we will provide a written estimate in the event of a change in scope.

**Contract Agreement**

Please sign and return this contract to indicate your acknowledgment of, and agreement with, the arrangements for our services including our respective responsibilities.

## Scope of Services – Audit Services

We will audit the business-type activities and related disclosures, which collectively comprise the basic financial statements for the following entity(ies):

North Brevard County Hospital District d/b/a Parrish Medical Center (the ‘District’) as of and for the year ended September 30, 2026, including North Brevard Medical Support, Inc. (a blended component unit of the District).

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion.

We understand the financial statements are prepared in accordance with accounting principles generally in the United States of America.

We will also express an opinion on whether the supplementary information including required supplementary information (“RSI”) and other supplementary information including the Combining Statement of Net Position and Combining Statement of Revenues, Expenses, and Changes in Net Position (“supplementary information”) is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other non-attest services including assistance with clerical functions in producing the final financial statements for the District and assistance with a tax return for a division of the District (Community Health Network of Central Florida) under a separate letter of arrangement.

You agree to assume all management responsibilities and to oversee the nonattest services we will provide by designating an individual possessing suitable skill, knowledge, and/or experience. You acknowledge that nonattest services are not covered under *Government Auditing Standards*. You are responsible for:

- Making all management decisions and performing all management functions
- Evaluating the adequacy and results of the services performed
- Accepting responsibility for the results of such services
- Designing, implementing, and maintaining internal controls, including monitoring ongoing activities

Jeff Goolsby is responsible for supervising the engagement and authorizing the signing of the report.

We will issue a written report(s) upon completion of our audit(s), addressed to the following parties:

<b>Entity Name</b>	<b>Party Name</b>
North Brevard County Hospital District d/b/a Parrish Medical Center	Board of Directors

The following apply for the audit services described above:

<b>Our Responsibilities</b>	We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). We will exercise professional judgment and maintain professional skepticism throughout the audit.
	We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

**Limitations &  
Fraud**

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit that is planned and conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and Forvis Mazars, LLP.

**Opinion**

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph(s) to our auditor's report, or if necessary, decline to express an opinion or withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Social Security  
Act**

If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, we agree to make available to the Secretary of Health and Human Services, or to the Comptroller General, or any

of their duly authorized representatives such of our billing records as are necessary to certify the nature and extent of our services, until the expiration of four (4) years after the furnishing of these services.

**Cost Report  
Services Not  
Provided**

We will require access to your cost report(s). However, we have not been engaged to prepare or review the cost report(s) specifically for the purpose of providing comments and recommendations to you.

Our services are not designed to detect and cannot be relied upon to detect fraud, abusive acts, errors, and omissions, including but not limited to:

- Nonallowable costs that you have not identified or that are misclassified or combined in another account
- Insufficient underlying documentation to support the information you have provided to us
- Billing errors, including coding errors, billing for noncovered services, and improper bundling or unbundling of charges
- Insufficient medical records documentation of physician orders, medical necessity of services, or performance of services
- Inappropriate physician arrangements, including payments for referrals or contracts that do not comply with the laws commonly known as the “Stark” or “anti-kickback” laws
- Failure to comply with the Medicare and Medicaid conditions of participation
- Failure to comply with the Internal Revenue Code and related regulations
- Related-party costs that you have not disclosed to us

This engagement is not intended to evaluate the effectiveness of your controls over compliance with Medicare, Medicaid, or other laws or regulations, or the degree of compliance with those laws or regulations. You agree to advise us of any adverse communications from regulators or third parties, including legal counsel, which may affect compliance with laws and regulations.

**Your  
Responsibilities**

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the accuracy and completeness of all information provided and for the following:

- **Audit Support** – to provide us with:
  - Unrestricted access to persons within the entity or within components of the entity (including management, those charged with governance, and component auditors) from whom we determine it necessary to obtain audit evidence
  - Information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including access to information relevant to disclosures
  - Information about events occurring or facts discovered subsequent to the date of the financial statements, of which management may become aware, that may affect the financial statements
  - Information about any known or suspected fraud affecting the entity involving management, employees with significant role in internal control, and others where fraud could have a material effect on the financials
  - Identification and provision of report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the

audit, including whether related recommendations have been implemented

- Additional information that we may request for the purpose of the audit
- **Internal Control and Compliance** – for the:
  - Design, implementation, and maintenance of internal control relevant to compliance with laws and regulations and the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
  - Alignment of internal control to ensure that appropriate goals and objectives are met; that management and financial information is reliable and properly reported; and that compliance with and identification of the laws, regulations, contracts, grants, or agreements (including any federal award programs) applicable to the entity's activities is achieved
  - Remedy, through timely and appropriate steps, of fraud and noncompliance with provisions of laws, regulations, contracts, or other agreements reported by the auditor
  - Establishment and maintenance of processes to track the status and address findings and recommendations of auditors
- **Accounting and Reporting** – for the:
  - Maintenance of adequate records, selection and application of accounting principles, and the safeguard of assets
  - Adjustment of the financial statements to correct material misstatements and confirmation to us in the representation letter that the effects of any uncorrected misstatements aggregated by us are immaterial, both individually and in the aggregate, to the financial statements taken as a whole
  - Preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (or other basis if indicated in the contract)
  - Inclusion of the auditors' report in any document containing financial statements that indicates that such financial statements have been audited by us
  - Distribution of audit reports to any necessary parties

**Required  
Supplementary  
Information**

Accounting principles generally accepted in the United States of America provide for certain required supplementary information ("RSI") to accompany the basic financial statements. We understand the following RSI will accompany the basic financial statements:

1. Management's Discussion and Analysis ("MD&A")
2. Budgetary comparison
3. Pension and Other Postemployment Benefit information (expected to be non-applicable)

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management is responsible for the fair presentation of the RSI. As part of our engagement, we will apply certain limited procedures to the RSI in GAAS. These

limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Supplementary Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

Such information is:

- Presented for the purpose of additional analysis of the financial statements
- Not a required part of the financial statements
- The responsibility of management
- Subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS

**Written Confirmations Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

**Peer Review Report**

*Government Auditing Standards* require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract, upon request. If you would like a copy, please request from your engagement executive.

## Scope of Services - Attestation Examination Services

We will examine the District's compliance with Section 218.415 of Florida Statutes (Section 218.415) as required by Chapter 10.550 of Florida Statutes as of September 30, 2026 and the year then ended.

The objective of our examination is the expression of an opinion in a written report about whether the District was in compliance with Section 218.415. The criteria to be used consist of the specific provisions of Section 218.415.

Jeff Goolsby is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report upon completion of our examination addressed to the following parties:

<b>Entity Name</b>	<b>Party Name</b>
North Brevard County Hospital District d/b/a Parrish Medical Center	Board of Directors

The following apply for the attestation examination services described above:

**Our Responsibilities** We will conduct our examination in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable rather than absolute assurance about whether the subject matter as measured or evaluated against the criteria is free of material misstatement.

**Limitations & Fraud** Because of the inherent limitations of an examination engagement, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the examination is properly planned and performed in accordance with the attestation standards.

Our engagement will not include a detailed examination of every transaction and cannot be relied on to disclose all errors, fraud, or illegal acts that may exist. However, we will inform you of any such matters, if material, that come to our attention.

**Report** We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement. If we discover conditions which may prohibit us from issuing a standard examination report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Your Responsibilities** To facilitate our engagement, management is responsible for providing a written assertion about the measurement or evaluation of the subject matter against the criteria, supplying us with all necessary information, and for allowing us access to personnel to assist in performing our services. It should be understood that management is responsible for the accuracy and completeness of these items, for the subject matter and the written assertion(s) referred to above, and for selecting and determining the appropriateness of the criteria.

At the conclusion of our engagement, management will provide to us a letter confirming these responsibilities, whether it is aware of any material misstatements in the subject matter or assertion, and that it has disclosed all known events subsequent to the period (or point in time) of the subject matter being reported on that would have a material effect on the subject matter or assertion.

Management is responsible for establishing and maintaining effective internal control over financial reporting and setting the proper tone; creating and maintaining a culture of honesty and high ethical standards; and establishing appropriate controls to prevent, deter, and detect fraud and illegal acts. Management is also responsible for identifying and ensuring compliance with the laws and regulations applicable to your activities and for establishing and maintaining effective internal control over compliance.

**Engaging Party &  
Responsible Party  
Responsibilities**

Management is responsible for selecting and determining the appropriateness of the criteria. At the conclusion of our engagement, management will provide to us a letter confirming this responsibility, whether it is aware of any material misstatements in the subject matter or assertion, and that it has disclosed all known events subsequent to the period (or point in time) of the subject matter being reported on that would have a material effect on the subject matter or assertion.

Mr. Michael Moehring responsible for providing a written assertion about the measurement or evaluation of the subject matter against the criteria, supplying us with all necessary information, and for allowing us access to personnel to assist in performing our services. It should be understood that Mr. Michael Moehring is responsible for the accuracy and completeness of these items, for the subject matter, and the written assertion(s) referred to above. At the conclusion of our engagement, Mr. Michael Moehring will provide to us a letter confirming the availability of this information, the written assertion(s), certain representations made during the engagement, and acknowledging certain responsibilities outlined in this contract. Mr. Michael Moehring is responsible for:

- Establishing and maintaining effective internal control over financial reporting
- Setting the proper tone
- Creating and maintaining a culture of honesty and high ethical standards
- Establishing appropriate controls to prevent, deter, and detect fraud and illegal acts
- Identifying and ensuring compliance with the laws and regulations applicable to its activities
- Establishing and maintaining effective internal control over compliance

**Written  
Representations**

At the conclusion of the engagement, you agree to provide us with certain written representations in the form of a representation letter.

Dear. Dr. Mikitarian

We appreciate your selection of **Forvis Mazars, LLP** as your service provider and are pleased to confirm the arrangements of our engagement in this contract. Within the requirements of our professional standards and any duties owed to the public, regulatory, or other authorities, our goal is to provide you an **Unmatched Client Experience**<sup>®</sup>.

In addition to the terms set forth in this contract, including the detailed **Scope of Services**, our engagement is governed by the following, incorporated fully by this reference:

- HIPAA Business Associate Agreement
- Terms and Conditions Addendum

### Summary Scope of Services

As described in the attached **Scope of Services**, our services will include the following:

North Brevard County Hospital District d/b/a Parrish Medical Center (the "District")

- Audit Services for the year ended September 30, 2026
  - As part of the audit services, as required by Florida Statutes:
    - The issuance of a management letter as prescribed by the Florida Auditor General. Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be, and should not be used by anyone other than these specified parties.
    - An examination report of the North Brevard County Hospital District (the "Districts") compliance with Section 218.415, Florida Statutes.
  - You have also required we separately address the District's compliance with certain bond covenants in a separate letter.

You agree to assume full responsibility for the substantive outcomes of the contracted services and for any other services we may provide, including any findings that may result.

You also acknowledge these services are adequate for your purposes, and you will establish and monitor the performance of these services to ensure they meet management's objectives. All decisions involving management responsibilities related to these services will be made by you, and you accept full responsibility for such decisions.

We understand you have designated a management-level individual(s) to be responsible and accountable for overseeing the performance of nonattest services, and you have determined this individual is qualified to conduct such oversight.

## Engagement Fees

Our fees not to exceed \$154,500 (unless agreed to in writing to a change in scope) are based on the time, skill, and resources, including our proprietary information required to complete the services.

In addition, you will be billed travel costs and fees for services from other professionals, if any, as well as an administrative fee of five (5) percent to cover certain technology and administrative costs associated with our services.

We will issue progress billings during the course of our engagement.] *OR* [Payments for the engagement are due as follows:

Deposit	\$	20,000
July 15, 2026	\$	30,000
September 15, 2026	\$	30,000
October 15, 2026	\$	30,000
November 15, 2026	\$	30,000
Upon Delivery of Deliverable(s)	\$	14,500

Our timely completion of services and the fees thereon depends on the assistance you provide us in accumulating information and responding to our inquiries. Inaccuracies or delays in providing this information or the responses may result in additional billings, untimely filings, or inability to meet other deadlines.

We anticipate the audit for the year ended September 30, 2025 will include routine assistance including inquiries and discussions regarding the adoption of Governmental Accounting Standards Board (GASB) Statement No. 103, *Financial Reporting Model Improvements*, is effective for fiscal years beginning after June 15, 2025. Early application is encouraged. The purpose is to eliminate diversity in practice and improve comparability. Impacted areas include management's discussion and analysis, unusual or infrequent items, the definitions and presentation of operating and nonoperating revenues and expenses in enterprise funds, presentation of major component units, presentation of budgetary comparison information, and financial trends information within the statistical section of separately issued financial reports.

If more than routine assistance is required regarding GASB Statement No. 103, we will provide a written estimate in the event of a change in scope.

**Contract Agreement**

Please sign and return this contract to indicate your acknowledgment of, and agreement with, the arrangements for our services including our respective responsibilities.

**Forvis Mazars, LLP**

*Forvis Mazars, LLP*

## Scope of Services – Audit Services

We will audit the business-type activities and related disclosures, which collectively comprise the basic financial statements for the following entity(ies):

North Brevard County Hospital District d/b/a Parrish Medical Center (the ‘District’) as of and for the year ended September 30, 2026, including North Brevard Medical Support, Inc. (a blended component unit of the District).

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion.

We understand the financial statements are prepared in accordance with accounting principles generally in the United States of America.

We will also express an opinion on whether the supplementary information including required supplementary information (“RSI”) and other supplementary information including the Combining Statement of Net Position and Combining Statement of Revenues, Expenses, and Changes in Net Position (“supplementary information”) is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other non-attest services including assistance with clerical functions in producing the final financial statements for the District and assistance with a tax return for a division of the District (Community Health Network of Central Florida) under a separate letter of arrangement.

You agree to assume all management responsibilities and to oversee the nonattest services we will provide by designating an individual possessing suitable skill, knowledge, and/or experience. You acknowledge that nonattest services are not covered under *Government Auditing Standards*. You are responsible for:

- Making all management decisions and performing all management functions
- Evaluating the adequacy and results of the services performed
- Accepting responsibility for the results of such services
- Designing, implementing, and maintaining internal controls, including monitoring ongoing activities

Jeff Goolsby is responsible for supervising the engagement and authorizing the signing of the report.

We will issue a written report(s) upon completion of our audit(s), addressed to the following parties:

<b>Entity Name</b>	<b>Party Name</b>
North Brevard County Hospital District d/b/a Parrish Medical Center	Board of Directors

The following apply for the audit services described above:

<b>Our Responsibilities</b>	We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). We will exercise professional judgment and maintain professional skepticism throughout the audit.
	We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

**Limitations &  
Fraud**

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit that is planned and conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and Forvis Mazars, LLP.

**Opinion**

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph(s) to our auditor's report, or if necessary, decline to express an opinion or withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Social Security  
Act**

If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, we agree to make available to the Secretary of Health and Human Services, or to the Comptroller General, or any

of their duly authorized representatives such of our billing records as are necessary to certify the nature and extent of our services, until the expiration of four (4) years after the furnishing of these services.

### **Cost Report Services Not Provided**

We will require access to your cost report(s). However, we have not been engaged to prepare or review the cost report(s) specifically for the purpose of providing comments and recommendations to you.

Our services are not designed to detect and cannot be relied upon to detect fraud, abusive acts, errors, and omissions, including but not limited to:

- Nonallowable costs that you have not identified or that are misclassified or combined in another account
- Insufficient underlying documentation to support the information you have provided to us
- Billing errors, including coding errors, billing for noncovered services, and improper bundling or unbundling of charges
- Insufficient medical records documentation of physician orders, medical necessity of services, or performance of services
- Inappropriate physician arrangements, including payments for referrals or contracts that do not comply with the laws commonly known as the “Stark” or “anti-kickback” laws
- Failure to comply with the Medicare and Medicaid conditions of participation
- Failure to comply with the Internal Revenue Code and related regulations
- Related-party costs that you have not disclosed to us

This engagement is not intended to evaluate the effectiveness of your controls over compliance with Medicare, Medicaid, or other laws or regulations, or the degree of compliance with those laws or regulations. You agree to advise us of any adverse communications from regulators or third parties, including legal counsel, which may affect compliance with laws and regulations.

### **Your Responsibilities**

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the accuracy and completeness of all information provided and for the following:

- **Audit Support** – to provide us with:
  - Unrestricted access to persons within the entity or within components of the entity (including management, those charged with governance, and component auditors) from whom we determine it necessary to obtain audit evidence
  - Information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including access to information relevant to disclosures
  - Information about events occurring or facts discovered subsequent to the date of the financial statements, of which management may become aware, that may affect the financial statements
  - Information about any known or suspected fraud affecting the entity involving management, employees with significant role in internal control, and others where fraud could have a material effect on the financials
  - Identification and provision of report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the

audit, including whether related recommendations have been implemented

- Additional information that we may request for the purpose of the audit
- **Internal Control and Compliance** – for the:
  - Design, implementation, and maintenance of internal control relevant to compliance with laws and regulations and the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
  - Alignment of internal control to ensure that appropriate goals and objectives are met; that management and financial information is reliable and properly reported; and that compliance with and identification of the laws, regulations, contracts, grants, or agreements (including any federal award programs) applicable to the entity's activities is achieved
  - Remedy, through timely and appropriate steps, of fraud and noncompliance with provisions of laws, regulations, contracts, or other agreements reported by the auditor
  - Establishment and maintenance of processes to track the status and address findings and recommendations of auditors
- **Accounting and Reporting** – for the:
  - Maintenance of adequate records, selection and application of accounting principles, and the safeguard of assets
  - Adjustment of the financial statements to correct material misstatements and confirmation to us in the representation letter that the effects of any uncorrected misstatements aggregated by us are immaterial, both individually and in the aggregate, to the financial statements taken as a whole
  - Preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (or other basis if indicated in the contract)
  - Inclusion of the auditors' report in any document containing financial statements that indicates that such financial statements have been audited by us
  - Distribution of audit reports to any necessary parties

**Required  
Supplementary  
Information**

Accounting principles generally accepted in the United States of America provide for certain required supplementary information ("RSI") to accompany the basic financial statements. We understand the following RSI will accompany the basic financial statements:

1. Management's Discussion and Analysis ("MD&A")
2. Budgetary comparison
3. Pension and Other Postemployment Benefit information (expected to be non-applicable)

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management is responsible for the fair presentation of the RSI. As part of our engagement, we will apply certain limited procedures to the RSI in GAAS. These

limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Supplementary Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

Such information is:

- Presented for the purpose of additional analysis of the financial statements
- Not a required part of the financial statements
- The responsibility of management
- Subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS

**Written Confirmations Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

**Peer Review Report**

*Government Auditing Standards* require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract, upon request. If you would like a copy, please request from your engagement executive.

## Scope of Services - Attestation Examination Services

We will examine the District's compliance with Section 218.415 of Florida Statutes (Section 218.415) as required by Chapter 10.550 of Florida Statutes as of September 30, 2026 and the year then ended.

The objective of our examination is the expression of an opinion in a written report about whether the District was in compliance with Section 218.415. The criteria to be used consist of the specific provisions of Section 218.415.

Jeff Goolsby is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report upon completion of our examination addressed to the following parties:

<b>Entity Name</b>	<b>Party Name</b>
North Brevard County Hospital District d/b/a Parrish Medical Center	Board of Directors

The following apply for the attestation examination services described above:

**Our Responsibilities** We will conduct our examination in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable rather than absolute assurance about whether the subject matter as measured or evaluated against the criteria is free of material misstatement.

**Limitations & Fraud** Because of the inherent limitations of an examination engagement, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the examination is properly planned and performed in accordance with the attestation standards.

Our engagement will not include a detailed examination of every transaction and cannot be relied on to disclose all errors, fraud, or illegal acts that may exist. However, we will inform you of any such matters, if material, that come to our attention.

**Report** We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement. If we discover conditions which may prohibit us from issuing a standard examination report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Your Responsibilities** To facilitate our engagement, management is responsible for providing a written assertion about the measurement or evaluation of the subject matter against the criteria, supplying us with all necessary information, and for allowing us access to personnel to assist in performing our services. It should be understood that management is responsible for the accuracy and completeness of these items, for the subject matter and the written assertion(s) referred to above, and for selecting and determining the appropriateness of the criteria.

At the conclusion of our engagement, management will provide to us a letter confirming these responsibilities, whether it is aware of any material misstatements in the subject matter or assertion, and that it has disclosed all known events subsequent to the period (or point in time) of the subject matter being reported on that would have a material effect on the subject matter or assertion.

Management is responsible for establishing and maintaining effective internal control over financial reporting and setting the proper tone; creating and maintaining a culture of honesty and high ethical standards; and establishing appropriate controls to prevent, deter, and detect fraud and illegal acts. Management is also responsible for identifying and ensuring compliance with the laws and regulations applicable to your activities and for establishing and maintaining effective internal control over compliance.

**Engaging Party &  
Responsible Party  
Responsibilities**

Management is responsible for selecting and determining the appropriateness of the criteria. At the conclusion of our engagement, management will provide to us a letter confirming this responsibility, whether it is aware of any material misstatements in the subject matter or assertion, and that it has disclosed all known events subsequent to the period (or point in time) of the subject matter being reported on that would have a material effect on the subject matter or assertion.

Mr. Michael Moehring responsible for providing a written assertion about the measurement or evaluation of the subject matter against the criteria, supplying us with all necessary information, and for allowing us access to personnel to assist in performing our services. It should be understood that Mr. Michael Moehring is responsible for the accuracy and completeness of these items, for the subject matter, and the written assertion(s) referred to above. At the conclusion of our engagement, Mr. Michael Moehring will provide to us a letter confirming the availability of this information, the written assertion(s), certain representations made during the engagement, and acknowledging certain responsibilities outlined in this contract. Mr. Michael Moehring is responsible for:

- Establishing and maintaining effective internal control over financial reporting
- Setting the proper tone
- Creating and maintaining a culture of honesty and high ethical standards
- Establishing appropriate controls to prevent, deter, and detect fraud and illegal acts
- Identifying and ensuring compliance with the laws and regulations applicable to its activities
- Establishing and maintaining effective internal control over compliance

**Written  
Representations**

At the conclusion of the engagement, you agree to provide us with certain written representations in the form of a representation letter.

# Primary Stroke Center

Nationally Certified Since 2004

Stroke is a leading cause of death in Florida. Certified Primary Stroke Centers, like Parrish Medical Center, have demonstrated stroke treatment excellence.

## Symptoms of Stroke

Sudden symptoms like these should never be ignored. At the first signs of a stroke, call 911.

- Numbness or weakness of the face, arm or leg, especially on one side of the body
- Confusion, trouble speaking or understanding
- Trouble seeing in one or both eyes
- Difficulty walking, dizziness or loss of balance and coordination
- Severe headache with no known cause

# Lifelong Primary Care Partners

Lifelong health starts here. Our Primary Care Group provides comprehensive care in a warm, welcoming environment. As your first point of contact with our medical services network, they are your go-to resource for the care, resources, and support you need to live well — today and for years to come.

## Primary Care Physicians Will:

- Conduct Early Check-ups
- Prescribe Medication and Order Necessary Lab Tests
- Administer Immunizations
- Help Patients Establish and Maintain Health Goals
- Educate Patients About Health Issues
- Provide Advice and Support on Health Concerns
- Introduce and Connect Patients to Local Health Programs
- Provide Referrals to Specialized Care — Connecting You with Experts in Cardiology, Oncology, Orthopedics, and More

## Same-Day and Next-Day Appointments

Your health isn't always at 100%, that's why our primary care team offers same-day and next-day appointments for patients who are at home, but need emergency medical attention. Whether it's an unexpected illness, a flare-up of a chronic condition or simply a concern you'd like addressed quickly, we're here to provide care when you need it, without the longest wait.
