PARRISH MEDICAL CENTER AUXILIARY

TEENAGE VOLUNTEERS

Dear Teen Applicant:

Thank you for applying to become a teenage volunteer with the Parrish Medical Center Auxiliary. The following information is provided to help you complete your application and answer a few of the questions you may have concerning our organization.

Membership is open to all young men and women between the ages of 15 and 19, inclusive, who are enrolled in school, and interested in service to the patients and employees of Parrish Medical Center. The Parrish Medical Center Auxiliary is directly responsible for, and has final jurisdiction over, the Teenage Volunteer organization.

The services provided by our Teenage Volunteers include Courier/Escort, Emergency Room Registration and other areas as needs arise. Additional information about services will be given to you during your interview. Please keep in mind that hospital service requires volunteers to be loyal, and use tact and discretion in every encounter, whether with patients or fellow care partners (employees, volunteers and physicians).

Teenage Volunteers work weekday evenings from 4:00 p.m. to 8:00 p.m. as well as weekends. The weekend work day is divided into two shifts: morning (9:00 a.m. to 1:00 p.m.) and afternoon (1:00 p.m. to 5:00 p.m.). Most of our Teenage Volunteers work one shift a week, however some work every other week. Teenage Volunteers are required to work a minimum of 50 hours each year.

Uniforms are required and will be explained at your interview (white/khaki pants, Auxiliary teal polo shirt, rubber or canvas shoes).

Dues for membership in the Teenage Volunteer program are $2 annually. The initial membership dues are payable when you are accepted into the organization. You must also purchase an Auxiliary shirt ($20).

We hope you will find—as many thousands of teenage hospital volunteers across the nation have— tremendous satisfaction from giving your time and talents to a useful purpose.

If you would like additional information or have any questions, please contact the Teenage Volunteer chair at 321-269-4123, or the Auxiliary president at 321-268-6333, ext.7183.

CODE OF ETHICS FOR VOLUNTEERS

As a volunteer, I realize that I am subject to a code of ethics similar to the one that binds the employees at Parrish Medical Center and its off-site family of services. Like them, I assume certain responsibilities and expect to account for my actions based on the organization's expectations. I will keep confidential matters confidential. As a "volunteer" I have agreed to work with no monetary compensation. But, once accepted as a volunteer worker, I expect to do my work according to the high standards expected of paid care partners.

I believe that all work should be carefully analyzed so work methods can be standardized. I believe that people should be studied in order to determine what jobs they can do and like to do, and that as far as possible, they should be assigned to jobs they can do well and enjoy.

I promise to be open-minded in my work, to be trained for it, and bring interest and attention to it. I realize that I may have assets that my co-workers may not have and that I should use these to enrich the projects we are working on together. I also realize I may lack assets that my co-workers have. I will not let this make me feel inadequate, but will endeavor to assist in developing good teamwork.

I will learn how I can best serve the activity for which I have volunteered, and offer as much as I am sure I can give, but no more. I realize that I must live up to my promises and, therefore, will be careful that my agreement is simple and clear so that it cannot be misunderstood.

I believe my attitude toward volunteer work should be professional. I believe that I have an obligation to my work, to those who direct it, to my colleagues, to those for which it is done, and to the public.

Being eager to contribute all I can to Parrish Medical Center's healing environment, I accept this Code of Ethics for Volunteers as my code, to be followed carefully and cheerfully.
